

SOLICITATION NOTICE

CLEAN WATER ACT (CWA) §319 (h)

NONPOINT SOURCE GRANT PROGRAM CONCEPT PROPOSAL

**APPLICATIONS ARE DUE BY 5:00 P.M. ON
MONDAY, DECEMBER 7, 2009.**

The State Water Resources Control Board (State Water Board), Division of Financial Assistance is accepting applications for the Nonpoint Source (NPS) Grant Program (Grant Program). The Grant Program is used to support implementation and planning/assessment activities to improve water quality and restore beneficial uses in total maximum daily load (TMDL) watersheds identified by the NPS Program. Funds for this grant program are appropriated by Congress under Section 319 of the Clean Water Act (CWA 319) to restore waters impaired by NPS pollution. These funds are made available via a grant agreement between the State Water Board and the United States Environmental Protection Agency (USEPA).

Eligible Applicants include Public Agencies, Nonprofits Organizations and Indian Tribes. For additional information refer to [Attachment 1](#) (2010 CWA 319 (h) NPS Grant Program Guidelines). Eligible Applicants are encouraged to collaborate with local entities involved in watershed management.

It is critical that you contact the Regional Water Quality Control Board and/or USEPA representatives ([Appendix G](#)) as you develop your proposal to ensure it meets eligibility requirements and the NPS Program Preferences listed below.

Project Eligibility and Funding Availability

Approximately \$4.5 Million is available for the 2010 solicitation to support Implementation and Planning/Assessment Projects in watersheds identified as NPS Program Preferences (See [Attachment 1](#), NPS Program Preferences). The table [on the following page](#) specifies the project and match requirements, and funding amount. A minimum match of 25% of total project cost is required, but may be

http://www.waterboards.ca.gov/water_issues/programs/grants_loans/319h/docs/2008/2010guidance.pdf waived or reduced for projects that directly benefit a disadvantaged community ([Attachment 1](#) and [Appendix D](#)).

Project Types	Approximate funding Amount	Project Funding Range	Match Requirement
Implementation Projects - that implement actions to restore impaired surface waters by controlling NPS pollution. Implementation Projects include on-the ground NPS pollutant reduction projects that achieve quantifiable water quality benefits identified in TMDLs and that are identified in comprehensive watershed plans. Maximum grant project period is three years.	\$3,500,000	Minimum: \$250,000 Maximum: \$1,000,000	25% (total project cost)
Planning/Assessment Projects - that improve watershed plans by carrying out targeted planning/assessment efforts to better focus future implementation efforts to achieve water quality goals. Planning and Assessment Projects include activities called for by TMDLs to direct and improve existing watershed planning efforts to be effective guides toward achieving water quality results. Maximum grant period is two years.	\$1,000,000	Minimum: \$75,000 Maximum: \$125,000	25% (total project cost)

Projects which include activities required under/are a part of National Pollutant Discharge Elimination System (NPDES) permit are not eligible for CWA 319 NPS Grant Program funding.

Solicitation Process

Guidelines ([Attachment 1](#), 2010 CWA 319(h) NPS Grant Program Guidelines) for soliciting applications, evaluating proposals, and awarding grants were established by the State and Regional Water Quality Control Boards and USEPA.

The CWA 319 NPS Grant Program Solicitation will be a two-step process. In the first step, applicants will submit brief Concept Proposals (CPs) using the State Water Board's on-line Financial Assistance Application Submittal Tool (FAAST). Applicants with the highest-ranking CPs will be invited to submit a Full Proposal (FP). After a thorough review of all FPs, a recommended funding list will be developed and presented at State Water Board meetings for public comment and adoption.

All applicants requesting funds from the CWA 319 NPS Grant Program must submit a complete electronic CP by **5:00 pm on Monday, December 7, 2009** using the State Water Board's online FAAST system at <https://faast.waterboards.ca.gov>. **Late applications will not be accepted.**

To be considered complete, the submitted CP application must include all of the items in the checklist below. Applicants should use this checklist to verify all required information is submitted using the FAAST. Eligibility and program requirements for the CWA 319 NPS Grant Program included in this Solicitation Notice are based on the *Guidelines*, which is available on-line at the State Water Board's website ([Attachment 1](#)).

2008 319 (h) NPS Grant Program

CONCEPT PROPOSAL SOLICITATION NOTICE NOVEMBER 9, 2009

Table 1: Checklist for Completing the Online Concept Application

Within the FAAST, the following SECTIONS must be completed and submitted:	
<input type="checkbox"/>	General Information (For the project location information requested in this section, specify the latitude and longitude values that are representative of the project. For large areas of land, specify the mid-point of the area. For a waterbody, specify the mid-point of the waterbody stretch.)
<input type="checkbox"/>	Funding Programs Check the box next to the "319 (h) NPS Grant Program". Consult with the contacts listed in Appendix G of this notice prior to developing proposal, and questions regarding applicant eligibility, project eligibility, and program priorities.
<input type="checkbox"/>	Project Management Please indicate the Project Director and the Project Manager from the applicant's organization.
<input type="checkbox"/>	Legislative Information Enter the State assembly, State senate, and U.S. congressional districts where the project is located. For projects that include more than one district, please enter each district. Look at the tables provided in FAAST to assist with determining the appropriate districts.
<input type="checkbox"/>	Agency Contacts This section must include all agency contacts (State Water Board, Regional Water Board, and the United States Environmental Protection Agency) that assisted in the development of the project proposal. You may enter more than one agency contact.
<input type="checkbox"/>	Cooperating Entities List the organizations that will assist the applicant in implementing the project, including partner organizations, consultants, and volunteers. You may enter more than one cooperating entity. We may contact cooperating agencies as part of the application review process.
<input type="checkbox"/>	Application Questionnaire The concept proposal questions are shown in FAAST.
<input type="checkbox"/>	<div style="display: flex; justify-content: space-between;"> <div style="width: 45%;"> Required Attachment: Attachment A - up to 4 pages to complete your answers for Planning/Assessment Project Narrative and Implementation Project Narrative. Include the Word "Attachment A" as the header and label each section that you are answering. Instructions for the Implementation and Planning/Assessment Project Narrative Descriptions are Attachment 2 of the Solicitation Notice. </div> <div style="width: 50%;"> The Required and optional attachments <u>must</u> conform to the following formatting requirements: <ul style="list-style-type: none"> Meets the maximum number of pages in length; PDF format Letter (8.5" x 11") size paper; Single-spaced or wider; </div> </div>

<p><u>Optional Attachment:</u> Only if needed, up to two (2) pages total to complete your answers to any additional application questions. Please reference the question number(s) you are responding to. Attachments longer than two (2) pages will <u>not</u> be reviewed.</p>	<ul style="list-style-type: none"> • Times New Roman font - Size 11 or larger; and • One inch (1-inch) margins.
--	---

For further assistance on the CWA 319 (h) NPS Grant Program, please contact Ms. Patricia Leary of the Division of Financial Assistance, at (916) 341-5167 or pleary@waterboards.ca.gov. You may also contact Ms. Melene Emanuel of Division of Water Quality, at (916) 341-5271 or memanuel@waterboards.ca.gov.

For questions about the State Water Board's FFAST, please contact FFAST staff by phone at (866) 434-1083, Monday through Friday, 8 am–5 pm, or by email at faast_admin@waterboards.ca.gov. Note: the first three Fridays of the month we will be closed due to furlough days.
